

braille overlay for PVC handrails

Net price for 1 pc.: 90,00 PLN Gross price for 1 pc.: 110,70 PLN Quantity in package: 10 Net price: 900,00 PLN Gross price: 1 107,00 PLN

Brailleam overlays for PVC handrails.

handrail overlays in the braille system are made on transparent pvc with stamped bottoms

braille points.

Braille dots are transparent or can be white.

The overlays on the handrails are made as narrow as possible and then they fit any width of the handrail.

We do not recommend making wider overlays of PVC or foil and sticking them along the oval of the handrail, because in a short time

they always peel off on the sides, deform.

Minimum order - 10 pcs.

The price includes graphic design and translation in Braille.

we translate braille into your language and ship products to your country quickly. trust us
