Sliding plates open - closed.

sliding plates, sliding information plates

open - closed plate

free - occupied array

plates meeting is in progress - silence please

The sliding plate is stuck with double-sided 3M adhesive tape.

The plates are made of metalx and have engraved information on both sides.

The blanking plate is moving, so we can easily communicate the message to our recipient, without listening to the door knocking and giving the same replies.

When placing an order - please enter your content to be placed on the plate in the notes.

By default, the plate has a silver frame and the text is engraved on a silver background - gold colors can be used alternatively.

Your custom colors? - ask.

We ship the product to any country in Europe and the world within 3 days of ordering.
