Quantity in package: **10**

Net price: **650,00 PLN**

Gross price: **799,50 PLN**

Room number plate with Braille.

Size 100 x 100 mm

Cut through figures + bail number in the form of steel balls

The number is taped with double-sided adhesive tape.

Brushed silver aluminum background

Possibility of any color of the top layer.

Example in a box - black matte.

Door plates with balls for the blind, also known as tactile marking plates, are special plates placed on the door that enable the blind to recognize the room.

Tactile marking plates have raised balls or tabs that are positioned in a specific way to mark text or a room number. Thanks to this, blind or visually impaired people can touch the plate and read information about the room.
