3D lettering for the rear of your car.

A 3D logo for the rear of your car is a very elegant and subtle way to advertise your company.

The car logo is slightly 3D, approximately 2 mm in size, is attached with strong double-sided adhesive tape, and includes a template for quick and easy installation.

The 3D car logo, including the template, measures approximately 170 x 50 mm.

Minimum purchase quantity: 5 sets.

The standard color is silver, imitating stainless steel.

It matches most car colors...white, silver, black, etc.

We can also create a 3D logo for your car in a different color upon request.
