Door NFC plate with an engraved inscription and space for a replaceable sheet. It also contains markings in Braille for the blind and visually impaired.

On the upper, silver part of the plate, we can engrave a logo, an inscription and add appropriate convex points in Braille.

Minimum purchase: 10 pcs.

Dimensions: 210x150mm

Additionally, the plate has an NFC code. This is the latest technology that allows for instantaneous information transfer. After bringing the smartphone close to the NFC symbol, the microchip attached to the plate sends information such as location, user manual, etc. to our phone.
