Elegant door sign. LED backlight. Glossy black color.

The product is made of durable materials.

Slightly retracting the side walls of the sign creates the visual effect of hanging the sign in the air. The attachment to the wall is not so visible and gives the impression of lightness.

The signs have LED backlighting. The inscription on the plate glows gently, with a white, milky light.

Our product can be used to make signage in a hotel or an office. It is delicate, elegant and discreet. Minimalist design complements the decor of most buildings constructed today.

Dimensions: 25x15cm.

Minimum order: 10 pieces.
